PAPER SUBMISSION AND PUBLICATION

All papers submitted to the conference must not have been published, submitted or accepted for publication elsewhere. IEEE policy regarding plagiarism and duplicate submission/publication will be strictly enforced. All papers will be judged on the basis of their clarity, relevance, originality, and contribution. Manuscripts will be limited to 6 (IEEE style) pages, up to 8 pages with additional costs. Papers should be submitted electronically via the on-line submission system (EasyChair). Paper submission should follow the IEEE double-column format for conferences (templates will be available via the conference web site). Submitted papers will undergo a peer review process coordinated by the Program Committee. All submissions must be in English. Authors of accepted papers are required to register for the conference and attend the conference in order to have the paper included in the SST 2016 Proceedings and submitted for posting to the IEEE Xplore database and other indexing databases. Selected papers presented at the Conference will be invited for possible journal publication (Technical Gazette, International Journal of Electrical and Computer Engineering Systems) in expanded form and after a new round of review.

IMPORTANT DATES
